# **Solenco Caravan & Home Air Conditioner** (Split Indoor & Outdoor Unit)

## **About**

The **Solenco Caravan & Home Air Conditioner** is a **compact** and **lightweight** Air Conditioner for caravans and home use. Provides **efficient cooling, easy setup,** and smart **Wi-Fi control** for comfort wherever you are.

# Solenco Caravan & Home Air Conditioner (Split Indoor & Outdoor Unit)

## Product Features:

### **Portable Split Design (Indoor + Outdoor Units)**

Compact two-part system for efficient cooling without bulky ducting.

### **Dual Mode Operation: Caravan Mode & Home Mode**

Ensures correct drainage and performance depending on installation.

### **2-in-1 Cooling & Dehumidifying**

Cools air while reducing humidity and improving airflow.

### **Cooling Capacity: 4500–5200 BTU**

Ideal for caravans, bedrooms, and small living areas.

### **Compact & Portable**

Easy to move and reposition with integrated handles and optional wheels.

### **Simple “Hang-in-Window” Caravan Setup**

Installs securely with no permanent modifications required.

### **Quiet Operation (~46 dB in Sleep Mode)**

Comfortable cooling without disruptive noise.

### **Three Fan Speeds: Turbo / Normal / Sleep**

Flexible airflow control to match your comfort needs.

# Solenco Caravan & Home Air Conditioner (Split Indoor & Outdoor Unit)

## Product Features:

### **1–9 Hour Timer & Sleep Mode**

Set and forget operation for energy-efficient cooling.

### **Smart Wi-Fi + App Control**

Adjust settings from your phone, anywhere.

### **Remote Control Included**

Convenient operation without reaching the unit.

### **Eco-Friendly R290 Refrigerant**

Reduces environmental impact while cooling effectively.

### **Energy Efficient (~565–585 W)**

Low power consumption suitable for caravan systems (inverter friendly)

### **Weather-Resistant & Rust-free Outdoor Unit (IPX4)**

Built to withstand outdoor exposure during use.

### **Modern, Compact Design**

Blends easily with home and caravan interiors.

### **Area Size**

5200BTU and 10–15 m<sup>2</sup>

Air Conditioners

# Solenco Caravan & Home Air Conditioner (Split Indoor & Outdoor Unit)

## Product Specs:

Product Type	
<b>Model Nr</b>	YL - 2500
Performance	
<b>Cooling Capacity</b>	Up to 5200 BTU
<b>Working Temperature Range</b>	16°C – 42°C
<b>Airflow (Indoor Unit)</b>	Low: 98 m <sup>3</sup> /h Medium: 122 m <sup>3</sup> /h High: 155 m <sup>3</sup> /h
<b>Compressor Type</b>	Rotating
<b>Refrigerant</b>	R290 (110 g) – environmentally friendly
Power & Electrical	
<b>Voltage</b>	220–240V / 50Hz
<b>Current Draw</b>	2.5–2.7A
<b>Power Consumption</b>	565–585W
<b>Protection Class</b>	Class I
Wi-Fi & Connectivity	
<b>Wireless Support</b>	Wi-Fi + Bluetooth (2.4GHz)
<b>App Control</b>	Works with SmartLife App for temperature, fan speed & timer control

# Solenco Caravan & Home Air Conditioner (Split Indoor & Outdoor Unit)

## Product Specs:

Controls & Modes	
<b>Operating Modes</b>	Home Mode & Caravan Mode (selected via control panel)
<b>Fan Speeds</b>	Turbo, Normal, Sleep
<b>Additional Functions</b>	Timer, Mute Mode, Compressor Protection Delay
Dimensions & Weight	
<b>Indoor unit ( L x W x H )</b>	409mm x 191.2mm x 378 mm
<b>Outdoor unit ( L x W x H )</b>	507.6mm x 205mm x 389.2 mm
<b>Weight</b>	21kg
Warranty	
<b>Warranty</b>	2 Years
